

steinbauer design

Internship | Industrial Design | September 2024

We design furniture, lights and accessories for international clients such as Authentics, Flötotto, Freistil, Softline and Rolf Benz.

Required skills: Adobe, CAD, and hands-on prototyping.

Do you share the passion for furniture and innovativ products?
Then send your application with portfolio to:

mail@johannes-steinbauer.com

The internship is paid, we can help to find an affordable accommodation close to our studio.
